WELCOME!

Exciting news! Our new global trade qualification programme offers three levels: Diploma, Certificate, and Award. You can choose one module, five, or all 20. Completing all 20 earns you a Diploma. Each module earns a credit, with 13 credits leading to Level 4 qualification. All online, in a comfortable environment. Enjoy access to blogs and a help desk for support throughout your learning journey. Learn more below!

Qualifications:

- Level 4 Diploma: A comprehensive programme covering essential International Trade topics for career advancement
- Level 4 Certificate: Focused on key aspects of Global Trade, ideal for professionals seeking specialisation
- Level 4 Award: A concise introduction to the fundamentals of International Trade, perfect for beginners

Modules of Learning:

Our comprehensive program includes 20 modules covering International Trade essentials like marketing, supply chain, legalities, culture, and risk management. Practical case studies and real-world insights are integral.

Enrolment Details:

Join our international trade qualification program to elevate your career. Courses start soon. Email us at academy@exportunlocked.com for programme details and enrollment
