

FX Forecast

August 2023

moneycorp 

Welcome to August's FX forecast

Here we outline the major exchange rate forecasts on our three most traded currency crosses. Forecasts are submitted to Bloomberg Analytics by many large banking institutions, giving us a broad view on the current market consensus.

At Moneycorp, we're committed to reinventing how businesses, financial institutions, and consumers securely navigate the global payments market.

I hope you find this document useful and I look forward to helping you with your FX requirements for the months ahead.
